("**Strava**") "PremiumPerks" Program described below (as per the requirements of certain U.S. states, a "Service Contract" or "Warranty Plan" or "Service Warranty" and also referred to herein for convenience as a "Service Contract") is provided by Sundays Service Company, LLC ("**Sundays**") through its arrangement with Strava. If you qualify, Sundays will (i) arrange for the reimbursement of the repair or the replacement of up to \$600 (all values noted herein are in U.S. Dollars), subject to a deductible, for any damage caused by an Accident* to the personal electronic device that you used to track and log your Strava activity (the "**Device**") and/or (ii) reimburse you for up to \$50 for a necessary transportation cost (for example, taxi, bus fare, etc.) and/or (iii) reimburse your running event entry fee up to \$100.

Your Strava Premium Membership allows for each free service described to be used once per Strava membership term/Premium Perks Program period.

DEVICE - Cycling Activity Device Service

Sundays will arrange a repair or reimbursement, as set forth herein, if your Device is damaged as the result of an **Accident*** while tracking your cycling activity on Strava's platform. If your Device cannot be economically repaired, it will be replaced up to a value of \$600. The value will be based on the lesser of (i) your purchase price, (ii) the cost of the Device's repair or replacement, or (iii) if the exact Device model is no longer available, the price for which it was last available or its current market value. The Device's original purchase receipt must be provided to prove ownership and validate your entitlement to the PremiumPerks Program.

You will **not qualify** for the service if:

- Accidental damage is sustained while the device was not logged into Strava's platform while a monitored cycling activity was in process when the event occurred.
- If your Device is stolen or accidentally or unintentionally lost.
- There is a breakdown or technical/performance failure of any kind not directly caused by an accident.
- Your Device is damaged as a result of accidentally coming into contact with any liquid.
- Your Device is older than 24 months at the time of the accident.
- The damage is cosmetic (does not impede functionality), including scratches and dents.
- The serial number has been tampered with in any way.
- You have already used this service within your membership period.
- You can't provide proof of the damage sustained to your bicycle or of the medical treatment you received as a result of the Accident.

You will **not qualify** for this Cycling Transportation Reimbursement service if:

- The event occurs within 1.5 miles of your home.
- A breakdown is a result of flat tires or punctures (unless the tire is visibly cut and cannot be repaired by replacing a tube).
- The claim is for a journey further than the nearest public transport station, bicycle repair shop or your Home.
- When there are local recovery/repair facilities reasonably available.
- More than one claim per period is submitted.
- You can't provide us with the receipt for the trip.
- You can't provide us with location details of your accident or breakdown site and destination.

The reimbursement claim will only be processed after the event date.

ADDITIONAL TERMS AND CONDITIONS

In connection with the PremiumPerks Program and solely for purposes of compliance with certain state laws and regulations (**see state-specific disclosures in the Appendix hereto**) as a "Service Contract" or "Warranty Plan" or "Service Warranty" (collectively referred to as a "**Service Contract**"), you, a Strava Premium Member, acknowledge the coverage of your activities while logged into the Strava online program or web-based platform under the following terms and conditions applicable to the PremiumPerks Program, as made available to you at no cost or other consideration by Sundays.

REPAIR/REPLACEMENT PLAN

At no cost to you, Sundays shall arrange for the repair or replacement of the covered product ("**Device**," as specified below), in the event such Device is damaged as a result of an Accident to the extent that it loses its ability to access the Strava web-based platform. This obligation of Sundays remains in effect under this Service Contract for a period of 12 months following your activation at the web link provided herein, or as long as you remain a Strava Premium Member, whichever is sooner.

Upon your submission of a claim for repair or replacement of the Device, you undertake to do one of the following:

1. Deliver the Device, at your expense, to Sundays' third-party specialist contractor with your original receipt of purchase of the exact Device, and after Sundays' (directly or through its contractor) diagnosis of the damage to and problem with the usage of such Device, Sundays will ship or have shipped to you, by agreed upon shipping methods and at no cost to you, a new or (if the damaged Device model is no longer manufactured and available for distribution) refurbished replacement device or an equivalent new Device. You must deliver the damaged equipment to Sundays or its contractor using available ground shipping services at your cost. If you fail to ship the faulty Device to Sundays or its contractor within 30 days of your claim of damage, your entitlement to the PremiumPerks Program shall be withdrawn; or
2. If you have a reputable repair service other than Sunday's third-party specialist contractor, you shall present such service's contact information and qualifications to Sundays and, upon Sundays' review, confirmation and approval, you may deliver the Device, within 30 days of your claim of damage and at your expense and preferred shipping method, to such repair service with notification to Sundays.

With respect to the repair of a damaged Device, Sundays or its contractor is obligated to provide you with all of the functional parts that may be necessary to maintain proper operation of the Device ONLY FOR PURPOSES OF THE STRAVA PREMIUM MEMBER PLATFORM. NO OTHER PARTS, EQUIPMENT, ACCESSORIES, ETC. WILL BE PROVIDED OR REPAIRED OR REPLACED IF NOT RELEVANT TO THE STRAVA PREMIUM MEMBER PLATFORM. For purposes of illustration only, if damage to a cell phone screen cover or case does not impact the performance and utility of the Strava Premium Member platform, it will not be covered under the PremiumPerks Program and this Service Contract.

Sundays' obligations hereunder expressly exclude preventive maintenance for any Device.

The PremiumPerks Program is available to "smartphones," tablets and GPS devices used to track and log onto the Strava platform's online activities, provided that they have been activated (whether or not actually placed in service) for no longer than 24 months.

Sundays' sole liability to you shall be to remedy any breach of this Service Contract in a timely manner. Sundays shall not be liable to you or others for any losses, expenses or costs (including but not limited to any consequential loss -- note that this consequential loss exclusion functions independently from the terms of the Device's applicable limited warranty and the consequential loss exclusion will remain in place even if the warranty fails of its essential purpose -- and special damages) incurred by you or others due to inherent breakdown or malfunction of the Device not resulting from any accident. In any dispute between you and Sundays, whether or not resulting in litigation, the prevailing party shall be entitled to recover from the other party all reasonable costs including, without limitation, reasonable attorneys' fees. The prevailing party shall include, without limitation, a party who dismisses an action for recovery in exchange for sums allegedly due, performance for covenants allegedly breached, or consideration substantially equal to the relief sought in the action.
